The Knight Baronet

The Knight Baronet is the first of the peerage ranks of Men of Iron. To become a knight baronet is a great achievement for a Knight of Men of Iron. It requires that a knight be more than a warrior, it asks them to be a mentor and a committed member to the cause of iron sharpening iron.

The requirements are not just a task to be completed. These requirements center on serving others in various ways that not only help you but other members and the organization of Men of Iron. This guide will help you keep track of your progress to earn the Knight Baronet level.

The requirement for becoming a Knight Baronet are cumulative from the time you become a member. It is not necessary to begin seeking out members for advancement a f t e r becoming a Knight. The only stipulation on this is that you cannot be a Page helping other Pages to become a Squire or a Squire helping other Squires to become a Knight. You must first be advanced to that level before you can mentor someone else to that same level. The same applies to events. You can not count events you attended, only those after you have.

Each of these requirements must be verified by your Head of Household before submitting your application for advancement.

After the application is processed and confirmed, a public ceremony will be conducted by the Baron, Earl, Duke or member of the Royal Council at which the new Knight Baronet will be formally recognized as a new Peer.

When you are confirmed as a Knight Baronet, your advancement will be visually reflected in a number of ways.

Some will be awarded to you and others will be your responsibility to create. The items you will be awarded are:

- The Knight Baronet Medallion
- The Knight Baronet Streamer for your Knights Standard
- A new pair of gold spurs
- An updated Certificate of Arms reflecting your rank as a Knight Baronet

The items that you will be authorized to create and display:

- The Knight Baronet Coronet
- The Knight Baronet Banner
- Replace the silver finial on your Knights Standard with a gold finial
- Wax sealing stamp with your name and your arms with coronet (Max size of 32mm)

The Silver Lion Pin

After becoming a Knight Baronet, you can earn the Silver Lion Pin to add to your Knight Baronet streamer .

There is only one requirement for earning this award-You must personally mentor a knight to become a Knight Baronet. Each time you help a knight become a knight baronet, that's a new Lion pin.

This pin can only be awarded after a Knight Baronet has been confirmed and your name is listed on his application as his mentor.

Your participation as a mentor must be approved by your Head of Household.
